

Omaha FC Banquet- Silent Auction

We are asking each team to provide an item for the Silent Auction portion of our evening. We've listed some items below that have been used in the past. Get the wheels turning.

Be creative and assign this task to the “think outside the box” parent on your team.

The best auction items are those you can get a business or individual to donate. Teams make the silent auction item a competition of sorts to see which team's item in an age group can raise the most money. Have fun with this! After you get your item(s) or basket together, fill out the attached form and drop your item off at Pam Sweeney's house by May 15th.

Silent Auction Ideas:

1. Flat screen TVs
2. An ipod touch--or the latest and greatest in the electronic world that everybody wants
