

2010 / 2011 ELITE/GOLD TEAM MANAGER UNIFORM ORDERING INFORMATION

- New players should try on and get sized for their uniforms at Nebraska Sporting Goods/Soccer Zone (“NSG”), 4304 South 84th Street, telephone 331-1150 (talk to Micki, Vicky or Von).
- Individual players will complete a sizing form at Nebraska Sporting Goods/Soccer Zone. The base kit (two jerseys, two shorts, two pair of socks) is \$120; warm-ups are an additional \$97; a backpack or duffel is \$55. Checks are to be made payable to “OFC.”
- NSG will assist the player in completing these sizing forms. The parent will keep the form and turn it in to the coach or team manager along with a check for the total order made out to Omaha FC.
- The Team Manager will review the forms, compare them against the roster, verify the amounts paid, add the team name after the OFC on the payee line of the check, and deposit all of the checks into that team’s checking account.
- The Team Manager must also contact any remaining players who have not been sized or paid for their uniforms. Team orders cannot be placed until all players for the team are sized and have paid in full.
- Player numbers may be assigned by the Team Manager after consultation with the Age Group Coordinator or they may use the requested number the player put on the sizing form, if any. The Club has optional “Omaha FC” goalkeeper jerseys available for individuals or teams to purchase at Nebraska Sporting Goods.
- Once all players’ sizing forms are completed, the Team Manager will choose either one of two options for ordering the teams uniforms with Eurosport:

OPTION 1 – Online Ordering: Use the Omaha FC Eurosport link:

(<http://www.soccer.com/RegisterClubCustomer.process?RestartFlow=t&ClubAccessCode=UOPZXNAA>)

to access Eurosport’s OFC on-line ordering site designed just for our Club. Walk through the step-by-step process to order the entire team’s uniforms and pay with debit or credit card via this secure website. (This site looks very much like the normal Eurosport website ordering. Anticipated shipping dates will also be given when the order is placed.)

OPTION 3 – Payment by Check: Complete the same Eurosport team order spreadsheet referenced above and email to Ryan Althoff at the email address shown below. Ryan will respond within 24 hours with an order number which must be noted in the memo line of the check from the team account. The Team Manager will then mail the check to: Eurosport, Attn: Accounting Dept, 431 US Highway 70A East, Hillsborough, NC 27278. Note that this process is slower because Eurosport will not begin processing the order until the check has been received, OR

- Orders placed and paid for prior to July 15, should be shipped and received at the Team Manager’s address prior to August 1st. Note that embroidered items like warm ups and bags take 20 days to customize and ship. If you are in need of jerseys for a tournament the first week in August, we suggest placing two orders; one for warm ups and bags, and one for everything else. This way they can be separately shipped and you won’t wait for the longest customized items.
- If option 1 is used, the Team Managers will simply write a check out of the team account to him/herself for reimbursement of the total Eurosport order charged to their credit card. Any variance in the shipping or order can be handled by the team manager and each individual player. (Shipping was estimated on the sizing form and may have been a little over or under charged)
